

IN THE SPECIFICATION:

Please amend the paragraph starting from page 28, line 23 to page 29, line 4, as follows.

Numeral 102 is a spacer support for fixing the spacer 101 to the rear plate 1. The spacer 101 preferably is fixed to the spacer support 102 by a bonding material (not shown). While the spacer support 102 is fixed herein to the rear plate 1 by the bonding material 103, in other embodiments the spacer support 102 may be fixed to the face plate 11 or to the inner periphery of the support frame 4.
